

**NORTH AMERICAN HYDRAULICS**

North American Hydraulics, (NAHI, LLC), partnering with Indexator Rotator Systems, AB who is a world-leader in manufacturing professional duty hydraulic rotators and swivels for demanding applications.

**Features and Options:**

- Free and continuous rotation even at extreme pressure spikes reduces the risk of ruptured hoses
- Handles with no pressure losses high working pressure over long periods
- Extends the service life of hydraulic hoses
- Straighter shorter hoses with more secure hose routing
- High corrosion and wear resistant surface treatment
- Dirt and water-resistant seals

**Proven Solutions for:**

- Cranes
- General Cargo Handling
- Excavators

Please contact NAHI for additional information on Rotators, Links and Swing Dampers
