Industrial

The International Construction & Utility Equipment Exposition, is the premier event for utility professionals and construction contractors seeking comprehensive insights into the latest industry technologies, innovations and trends. Explore and go hands-on with the latest utility products, heavy equipment & innovations from the industry leaders.

Featured Products for This Show

Solution Providers

This is where producers from all over gather, meet, and learn. This is where major manufacturers choose to roll out their newest offerings. This is where Ag families take a break from their daily routine to immerse themselves in the wider Ag community. This is where tradition and business have come together for 64 years. This is where we celebrate agriculture.
